February 2, 2021

Dear School Administrators,

Greetings!

I am happy to share with you that the Bacolod City Government has been working so hard and it was able to control and mitigate the number of covid cases for the past months. To continuously protect the Bacolenos, the city has launched its Bacolod City Covid-19 Vaccination Program.

Last week, we facilitated and sought the assistance of the LGU relative to the prioritization of the academic community - our faculty, staff and students when it comes to the distribution and administration of the vaccines. Mayor Bing Leonardia has immediately approved our request and has included us in the priority. For the time being - for our faculty and staff.

In this regard, I am sending you the survey form and the registration form for the program. Kindly circulate the survey form to your faculty and staff and ask them to check whether their want to avail of the vaccine or not. Should they answer YES, please ask them to fill-out the attached registration form. The vaccine is FREE and is NOT compulsory.

Once done, please submit the survey form and the registration forms (in a folder labeled with the name of your school) to STI West Negros University and look for Ms. Babes.

In return, may I request your school to be one of the venues of the vaccination program, or send your medical or any health-related students to facilitate the vaccination, or provide snacks to the workforce during the conduct of the vaccination.

Your help, big or small is a great step towards making Bacolod City a safer place for all of us.

We hope to receive the forms on or before **February 15, 2021, Monday**.

Thank you very much and may God bless us all.

Yours in NOPSSCEA,

RYAN MARK S. MOLINA, DM
President
