PEFORMANCE TASKS WEEK

FROM MUSEO DE LA SALLE BACOLOD SHARING OUR HISTORY & CULTURE

We are sharing with you a powerful documentary on the Negros sugar industry. PUREZA tells the technical story of the sugar production process and how this has affected the lives of Negrenses. We will actually understand our society better when we know our history and the stories our fellow Negrenses have to share with us. Historical revisionism is a real threat so let's brush up on local history so we know what to protect.

https://www.youtube.com/watch?v=Djoki3IOt5s&feature=you tu.be

May PUREZA make us appreciate the valuable resources we have on the sugar industry inside our library's Negrosiana & Locsin Collection. May this bring us pride & appreciation for the many Lasallian alumni who worked hard in sharing this story with us.

Don't forget to use an extra spoon-full of sugar for the sugar industry!
