

MASTER IN EDUCATION (MEd)

Major in FILIPINO

Program Description

This program aims to train elementary and secondary teachers who are committed in teaching Filipino grammar, composition and literature. Trainings are given in the teaching of reading, writing, speaking, and listening in Filipino as well as in the appreciation of Filipino literature.

Program Educational Objectives

1. Update and enrich content knowledge;
2. Enhance and expand pedagogical knowledge and skills in teaching;
3. Promote leadership in the spheres of influence and involvement in the local and national level; and
4. Develop innovative and creative instructional program.
