

MASTER IN EDUCATION (MEd)

Major in YOUTH MINISTRY

Program Description

The Masters degree program in Youth Ministry seeks to provide the necessary pastoral training, both theoretical and practical for catechetical and religious educators, especially those in small Catholic schools in the Philippines.

Program Educational Objectives

1. Exhibit deeper understanding of theoretical, practical/realistic and religious aspects of education;
2. Respond and be attuned to the local realities related to Christian education;
3. Integrate action research in the design of instructional activities; and
4. Develop and nurture social responsibility in building a Christian community.
