

**BACHELOR OF SCIENCE IN BUSINESS
ADMINISTRATION Major
in Marketing Management**

Program Description

The Bachelor of Science in Business Administration Major in Marketing Management Program prepares the graduates for careers in marketing, market research, advertising and public relations. The curriculum provides the graduates both the technical skills and competencies required in the field, but also the flexible mindset that is necessary to stay competitive in a constantly changing business environment.

Program Educational Objectives:

Within three to five years after obtaining a bachelor's degree in BSBA Major in Marketing Management graduates should have:

1. Exhibited exemplary marketing management skills (inter-personal, communication, presentation, and negotiation), knowledge and adaptability to environmental changes affecting business operation in the Philippines and the Asia Pacific.
2. Demonstrated a high degree of professionalism in their careers through critical thinking, effective communication, and social and ethical responsibility.
3. Ascended or advanced in their field of expertise by confidently assuming managerial and leadership positions in work, community, and organizations.
4. Pursued graduate studies, certifications, trainings in business and management; and/or other life-long learning opportunities to enhance professional skills.

Program Outcomes

By the time of graduation, the students of the program shall have developed the ability to:

1. Demonstrate and act in recognition of corporate citizenship, professional, ethical and social responsibility.
2. Function effectively as a member and/or leader in teams, preferably multi-disciplinary in composition.
3. Use proper decision tools including information and communication technology, to critically, analytically and creatively solve problems and drive results.
4. Implement the basic functions of management (such as planning, leading, organizing, staffing, directing and controlling) in various functional areas of business (marketing, accounting, finance, human resource, production and operations, IT and strategic management).
5. Engage in independent learning for continual development as a business professional, while generating new knowledge and keeping abreast with the latest developments in the field of business.
6. Communicate effectively with stakeholders, both orally and in writing.
7. Identify unmet and underserved ethical service and product needs of specific customer groups and markets.
8. Specify the service and/or product value contributions of the company which addresses identified needs of customers.
9. Formulate marketing management and organizational design which effectively delivers desired value contributions of the company while ensuring humane

working conditions.

10. Design wealth-sharing arrangements for participants in the value chain, both external and internal.
11. Incorporate environment-protection considerations in planned business operations.
12. Plan for effective government compliance and engagement for the business.

Admission Requirements

1. Graduate of ABM strand in senior high school.
2. Passing grade in the university's admission examination.
3. Passing the interview with the Department Chairperson.
4. Non-ABM SHS graduates must take Accounting 1 Bridging Course

Retention Policies

1. Students enrolled in BSBA Marketing Management program must not incur more than 24 units of failed subjects for the duration of their study. Otherwise, they will be advised to drop from the course.
 2. Students should not fail in more than 2 major subjects in any given semester.
